

Getting started with Traction Tools: our proven process for your success

Note to EOS Implementer®: Please give this handout to your client at Focus Day™.

1. Get set up for success

Receive a high-level overview of Traction Tools from your Implementer at Focus Day.

2. Familiarize yourself with your account

Schedule a demo at mytractiontools.com/schedule-a-demo for account set-up and useful how-tos.

4. Get comfortable running Level 10 Meetings™

Experience the power of EOS®-fueled productivity by running powerful, impactful meetings through Traction Tools.

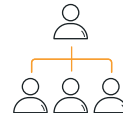

3. Bring your leadership team on board

Schedule a training session for members of your leadership team to get the ball rolling at the top.

5. Ask questions and get answers in real-time

We will check in to answer any questions pertaining to your account.

6. Help supervisors get up to speed

Schedule a training just for supervisors where they'll learn how to boost productivity teamwide through Traction Tools.

7. Get continued unlimited support

We provide limitless support free of charge. Just send us an email at help@mytractiontools.com, and we'll get back to you ASAP.
