

# Getting started with Traction Tools: our proven process for your success

Follow our 7-step, foolproof, “love us or your money back” Proven Process

## 1. Get set up for success

Receive a high-level overview of Traction Tools from your Implementer at Focus Day.

## 2. Familiarize yourself with your account

Schedule a demo at [mytractiontools.com/schedule-a-demo](https://mytractiontools.com/schedule-a-demo) for account set-up and useful how-tos.

## 4. Get comfortable running Level 10 Meetings™

Experience the power of EOS®-fueled productivity by running powerful, impactful meetings through Traction Tools.

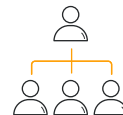

## 3. Bring your leadership team on board

Schedule a training session for members of your leadership team to get the ball rolling at the top.

## 5. Ask questions and get answers in real-time

We will check in to answer any questions pertaining to your account.

## 6. Help supervisors get up to speed

Schedule a training just for supervisors where they'll learn how to boost productivity teamwide through Traction Tools.

## 7. Get continued unlimited support

We provide limitless support free of charge. Just send us an email at [help@mytractiontools.com](mailto:help@mytractiontools.com), and we'll get back to you ASAP.
